Dear Sir:

I believe you have edited a book, or sheet called: "Songs of Old California," a group of songs in Spanish. Am I right? Where could I obtain a copy of two of them, and perhaps other Spanish Songs? I would want the words in Spanish. What would prices be?

I would certainly appreciate this information. Hoping this will not trouble you, I am,

Most sincerely Yours

Howard Stone

Dear Sir:-

The enclosed circular will answer your question. I can send you the book for $1.50, postpaid.

A Second Book of 14 other songs will be out probably in a few weeks, at the same price.

This First Book is already in its sixth thousand, and the songs are being sung all over thecountry with great joy.

Yours very truly,
